# IRS Taxpayer Assistance Center Locations

## Face-to-face Tax Help

IRS Taxpayer Assistance Centers (TACs) are your source for personal tax help when you believe your tax issue cannot be handled online or by [phone](#), and you want face-to-face tax assistance. Taxpayer Assistance Centers are closed for all [Federal Tax Holidays in Publication 509](#). Please be advised that **you may be asked to provide valid photo identification and a Taxpayer Identification Number, such as a Social Security Number, to receive services.**

**Important:** Most TACs operate on a first-come, first-served basis. We **may not be able to assist all customers during peak demand periods, particularly those that arrive later in the day.** Keep in mind, many questions can be resolved online without waiting in line. On IRS.gov you can:

- Get official IRS [Forms and Publications](#)
- Set up a [payment plan](#)
- Get a [transcript](#) of your tax return
- Make a [payment](#)
- Check on your [refund](#)
- Find answers to many of your [tax questions \(face-to-face help is available on only a limited set of topics\)](#)
- [Understanding Your IRS Notice or Letter](#)

We are now *referring all requests for tax return preparation services to other available resources.* You can take advantage of free tax preparation through Free File, Free File Fillable Forms or through a volunteer site in your community. To find the nearest volunteer site location or to get more information about Free File, go to IRS.gov and enter “Free Tax Help” in the Search box.

**Caution:** Many of our offices are located in Federal Office Buildings. **These buildings may not allow visitors to bring in cell phones with camera capabilities.**

Multilingual assistance is available in every office. Hours of operation are subject to change.

### Appointment Options:

Selected TACs now operate by appointment. **If the office reflects “By Appointment” in the Days/Hours of Service column, follow the appointment link to request an appointment.** Through an effective appointment process, taxpayers will know in advance that they can get the service they need without waiting. Serving taxpayers in scheduled appointments should eliminate long lines that sometimes occur at many TAC locations and help ensure the taxpayer’s issue is resolved. **Appointments can be made by calling 1-844-545-5640 between 7:00 am – 7 pm local time.**

**NOTE:** See <http://www.irs.gov/uac/Contact-Your-Local-IRS-Office-1>

**Before visiting your local office** click on "**Services Provided**" in the chart below to see what services are available. Services are limited and not all services are available at every TAC office and may vary from site to site. You can get these services on a walk-in basis.
